

## Format cover letter

The questions below should be answered in a story format. You do this in a Word document. We will use your motivation letter to present you to the landlord.

Tip: When you get stuck answering the questions above, you can approach people you trust (family/friends). Example of a question you can ask two people: "nominate two qualities and two learning points of me". That way, you can also find out what people think about you 😊

Date:

Name:

Place of residence:

Date of birth:

School and field of study:

### 1: What can you tell about yourself

Learning points/development

Hobbies/Daily Activities,

What do you stand for in this life/your life motto:

What are you very proud of?

The reason why you have chosen to live in the Netherlands.

How are you preparing yourself to study in the Netherlands?

### 2: Your background and future

What have you experienced so far, what have you learned from it?

What do you want to have achieved in a year's time?

What are you going to do to achieve this goal?

### 3: Housing

How do you see 'living on your own'?

Who pays your rent? (You alone or do you get support from your parents/carers).

Are you consciously working on living on your own (learning how to housekeep, cook, budget)?

Tell why you are a suitable tenant.

### 4: Special circumstances

Are there any special circumstances with you or your parents/guarantor which Gate 31 Housing should take into account during the housing service? (Allergies, mental and physical health problems, character trait).
